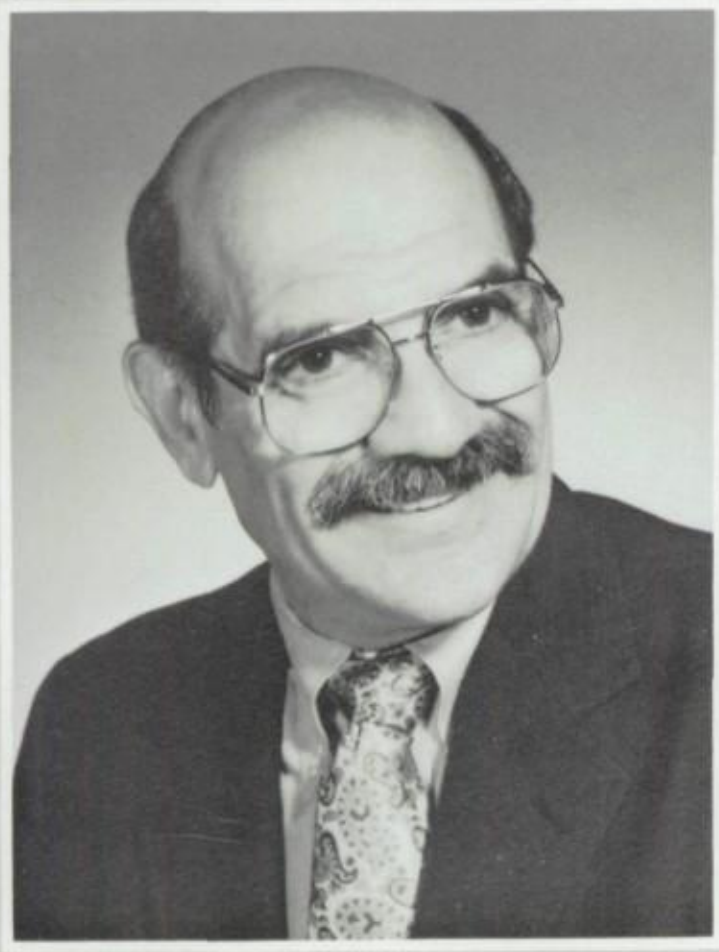
# Faculty

Joann Thomas

Mrs. Thomas has been advisor to *Reveries* since 1972. Her efforts have not only traced the development of each graduating class, but have provided the definitive history of Dumont High School for fourteen years. At this time of retirement, the class of 1987 would like to express its appreciation for her years of service to the district as an English teacher and advisor to *Reveries.* In gratitude, the Class of 1987 dedicates this yearbook to Mrs. Joann Thomas for her years of dedicated service to Dumont High School. We wish her a long and happy retirement.

# Dedication - Dedication



John Pappas

Mr. Pappas has been a teacher and supervisor in Dumont for more than thirty-four years. Since those early years when the art department was housed in one room on the third floor, to the present time when the department occupies an entire wing of the building, Mr. Pappas has been instrumental in its growth. In addition, his activities related to the arts have served both the district and the state. He has received the Governor's Award in Arts Education, been president of the Alliance for the Arts of N.J., served on the State Council on the Arts, and has directed the school musical and been advisor to *Reveries.* In grateful appreciation for his service to Dumont, the class of 1987 dedicates this yearbook to Mr. John Pappas. We wish him joy and relaxation in his retirement.

# SUPERINTENDENT

## Mr. Paul F. Corazza

May I add my congratulations to all those you are receiving at this time upon completion of your high school program. With these expressions go my best wishes for success in your future endeavors. As you strive for this thing called success, I sincerely hope that you will acquire a due share of wisdom and understanding in the adult world that you enter. Hopefully your teachers and administrators have helped you develop those skills which will enable you to combine your talents with these two qualities to fashion a world in which you will find genuine lasting values.

As maturity extinguishes adolescence and life's challenges become most demanding remember always your days at Dumont High School. The friends and good days you have experienced over the past four years will never be duplicated. Plan your objectives carefully and be diligent in pursuit of success. Success will only be realized when commitment to hard work replaces frivolity. I congratulate our seniors and their families upon graduation. # Mr. Fisco enters "Hall of Fame"

Dumont High School inducted fifteen charter members into its athletic "Hall of Fame". Mr. Fisco, vice principal and supervisor of physical education was the only member to be inducted who continues to serve on the DHS staff. His football record of 87-22-5 over thirteen years is one which present and past students can point to with pride. Mr. Fisco's comments, in accepting the award, showed the same kind of enthusiasm and strength which he brought to his coaching. He reminded the audience of the need to build character as well as build skill, the requirement to be true to oneself as well as show respect for the world and its people.

Mr. Fink, now retired but still a strong presence in Dumont sports was also honored. He continues to coach the cross country teams- this year compelting one of his finest seasons while enjoying the first year of retirement. REVERIES extends its congratulations to both gentlemen. The others inducted were H. Lusby '62, M. Schilling '16, Eleanor Morgan Quirk '25, T. Baird '32, F. Armstrong '37, J. Tobin '41, J. Nelson '46, B. Smithuysen '56, L. Mascarelli '76, J. Darrow '75, D. # Baldachino named top AD in East

Mr. Baldachino accepts the state's "Athletic Director of the Year" from Bob Hopek of the state's AD organization.

Mr. Frank Baldachino, athletic director and vice-principal at DHS was selected to be the 1987 recipient of the Eastern Regional "Athletic Director of the Year" by the National Council of Secondary School Athletic Directors. In order to qualify for this award, Mr. Baldachino also received the New Jersey top AD award in 1987. Mr. Baldachino is one of six athletic directors in the nation who will compete for the national award to be given in Las Vegas, Nevada.

Mr. Baldachino has always been an outstanding influence in the life at DHS. His cool and quiet demeanor rescues many difficult situations and renders them under control. His interest in young people's achievements and problems makes him one of the few educational leaders who both affirms the individual student and supports the school and its rules.

The students of Dumont High School are proud of this singularly significant achievement for Mr. Baldachino. This highly distinguished honor also honors us. We're PROUD!!!!!

Even the director of athletics has a chance to remove his tie at a wrestling match.

Mr. Baldachino MC's the first Hall of Fame banquet for Dumont High School, at The Clinton Inn.

Steve Wacker: The "Wack Attack.

The Huskies were a force to be reckoned with this year as the Dogs broke several school records. Senior safety Steve Wacker set a record with five interceptions. Junior quarterback Mike Gabbettie passed for 1255 yards on 85 completions with 15 touchdowns. Most of these were to Junior wide receiver Ray Tolentino, who had 25 receptions for 520 yards. This combination was especially effective in the Englewood and Fort Lee victories, each being won on a Gabbettie — Tolentino touchdown in the final minute of play. Another bright star for the Huskies was Senior Mike Mathews, honorable mention all-county and 1st team all -league linebacker. Wacker, Tolentino and Captain Rich Uzzi were voted 2nd team all-league. Gabbettie and Junior running back John Digirolamo received honorable mentions.

Head Coach Carl Von Tobel summed up the season: "It was a year which we had to rise up to meet each challenge. Nothing is easy, but this team never stopped trying."

The 1986 season was a rebuilding one for the Dumont Huskie Soccer team. Although the Varsity team record was 3-11-3, this young team showed great spirit and skill in tying Old Tappan 0-0 and beating Englewood 1-0 in the season finale. This combined with the JV 12-3 record shows that soccer at Dumont is an up and coming sport. The JV team came in first in the BCSL. Next year's team will be headed by Captains Vatche Demirdjian on defense, Scott Kaine at midfield, and Willie Escobar on offense. Willie was the top socrer for the season.

Autumn 1986 was another successful season for the D.H.S Cross Country Team. With the help of Head Coach Norn Fink and Coach Penny Mascarelli, the Huskies were victori ous throughout the season.

Both the boys and the girls team won the B.C.S.L. League Championships and Bergen County Championships; the girls also had an undefeated dual meet season. The State Sectional meet was another victory for the boys, while the girls captured second. Qualifying for the State Group II Championships, both teams traveled to Holmdel, where the boys placed fifth, the girls sixth.

Individually, many of the Huskies received honors this season. Co-Captains Terri Grivas, Angela Kelly and Jeff Ascolese made first team All-League, as did Matt Goodman, Rich Fitzgibbon, Mike Duffy, Lisa Grimaldi, and Jen Murray. Melinda Maguire was second team, while Christine Alba, Suzanne Ganger, Brian Sweeny, John Bennett, and Vinh Giang received an Honorable Mention. In the All-Suburban category Goodman, Fitzgibbon, Duffy, Grivas, Grimaldi, Murray, and Maguire placed first team; Kelly and Ascolese, second team Alba, Beth Anderson, Gina Bilangi, Sweeney, and Giang, Honorable Mention. For All County, Grivas placed first team Goodman second team; Duffy third team; and Honorable Mention was received by Ascolese, Fitzgibbon, Grimaldi, and Murray, and Maguire.

Captains April Gardner and Kim McGeady helped the volleyball team keep up their spirit. Head Coach Bill Newsome, newcomer Assistant Coach Karen Rudloff, and Manager Donald Boos pushed the Varsity and Junior Varsity teams to do their best.

Star players on the Varsity team included seniors Gardner for setting, blocking, spiking, and serving, Helen Griffin for spiking and blocking, and Marianne Van Buren for setting.

The Junior Varsity team placed sixth in the Junior Varsity Tournament. Since six of the starting players were first year team members, we can expect more from them in the future.

## A Dream Season For The Girls

The 1986-87 Girls Basketball team was the best team in school history. The girls finished in 3rd place in the BCSL American Division, went on to the quarter-finals and won, and then on to the semi-finals of the State Sectional Tournament. They lost 40-49 to Harrison, but Senior players Helen Griffin, Melinda Maguire, and Sandy Navarro had their "Dream Season". Next year, Junior Maureen O'Malley, Sophomores Christy Gilmour and Jen Murray, and Freshman Kim Ragone will get a chance to continue the team's hard work and make the Girls Basketball Team #1.

The 1986-87 band was the largest in school history. The marching band consisted of a whopping 138 members. The concert band had a somewhat smaller membership, 108 musicians. The marching band played at every football game, participated in the Herald News Band Festival, and marched in the Memorial Day Parade. The concert band plays three concerts throughout the year. There is also an Ensemble Concert in the Spring for the many ensembles.

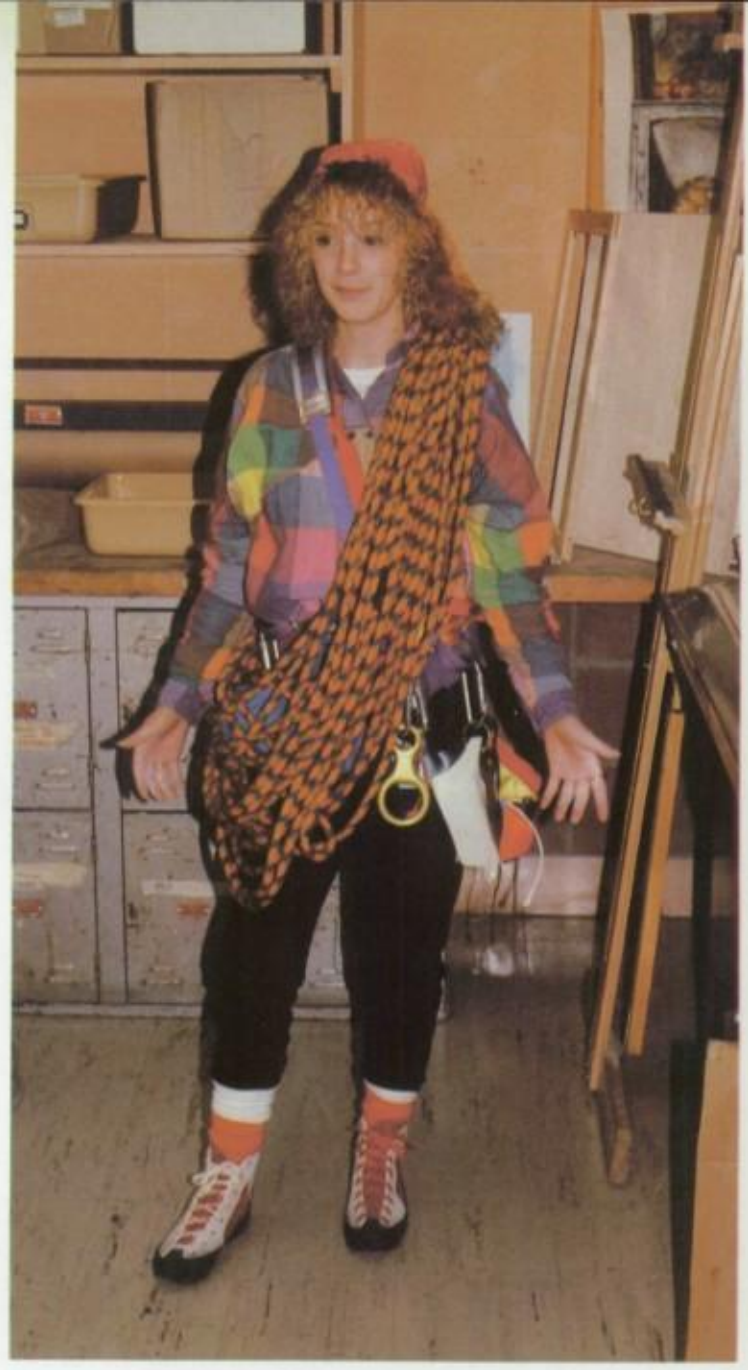
## Huskie Band . . . Best in the Land

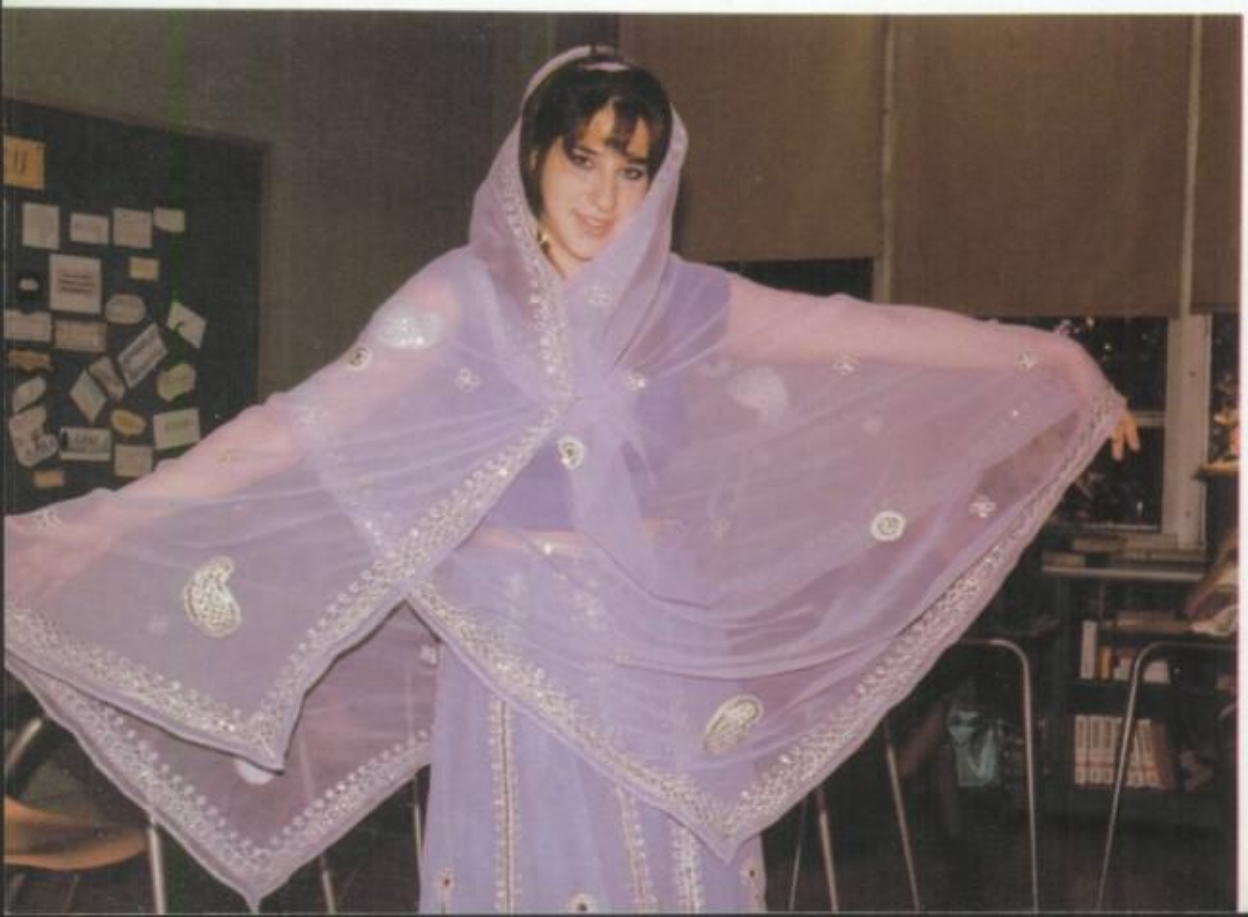
# The flag line makes waves

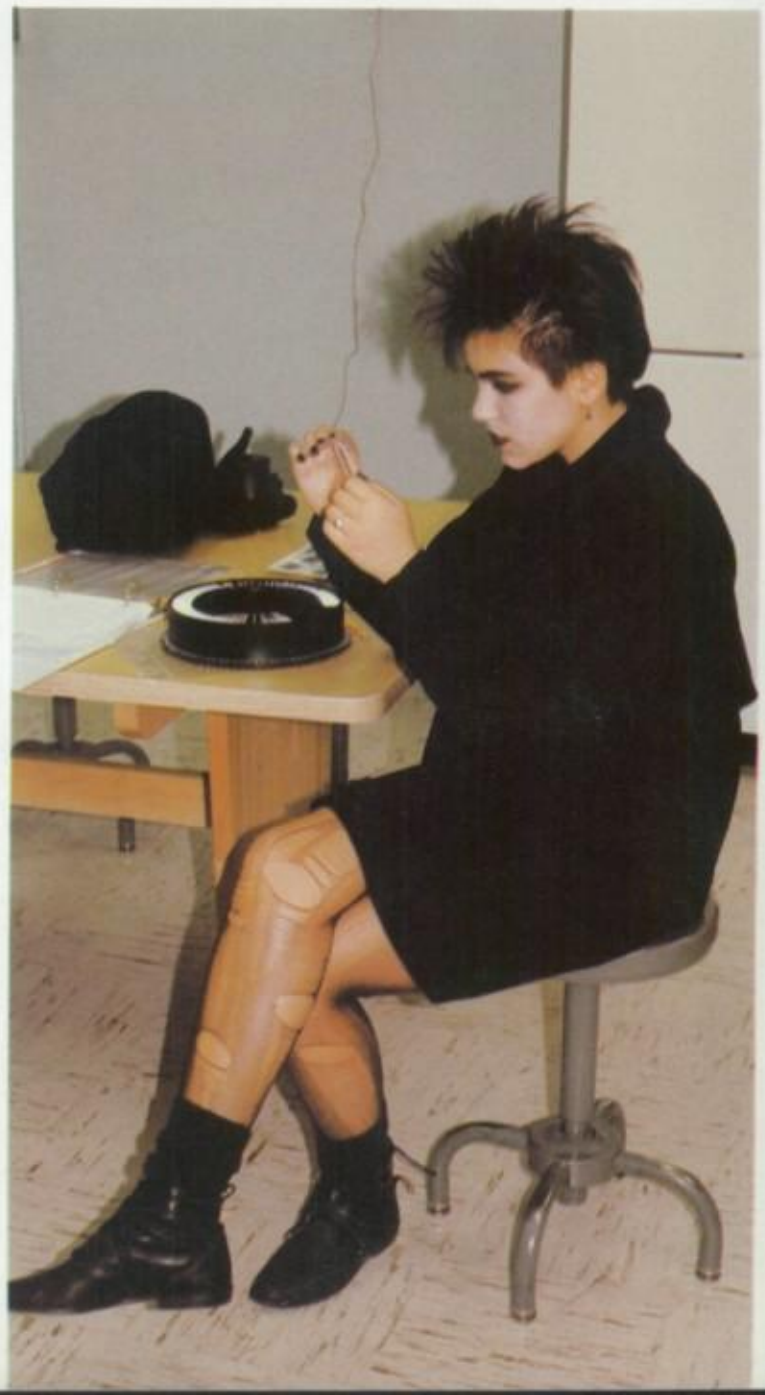
With exciting drill and outstanding execution, the 1986-87 flag line had a perfect season. They participated in the halftime shows of all the football games and in the Memorial Day Parade. At the Herald News Band Festival they were magnificent. The squad is made up of: Captains Michele Finder and Tammy Mortensen, Ann DeVecchio, Sandy Gorek, Nancy Maxwell, Debbie Quinn, Beth Robinson, Lisa Sileo, Jennifer Smith, Cathy Carr, Lauren Finder, Lauralyn Hamburg, Tracey Matthews, Susan Rudolph, Tracey Gerity, Sandy Jahnes, Barbara Parisi, and Casey Sheehan.

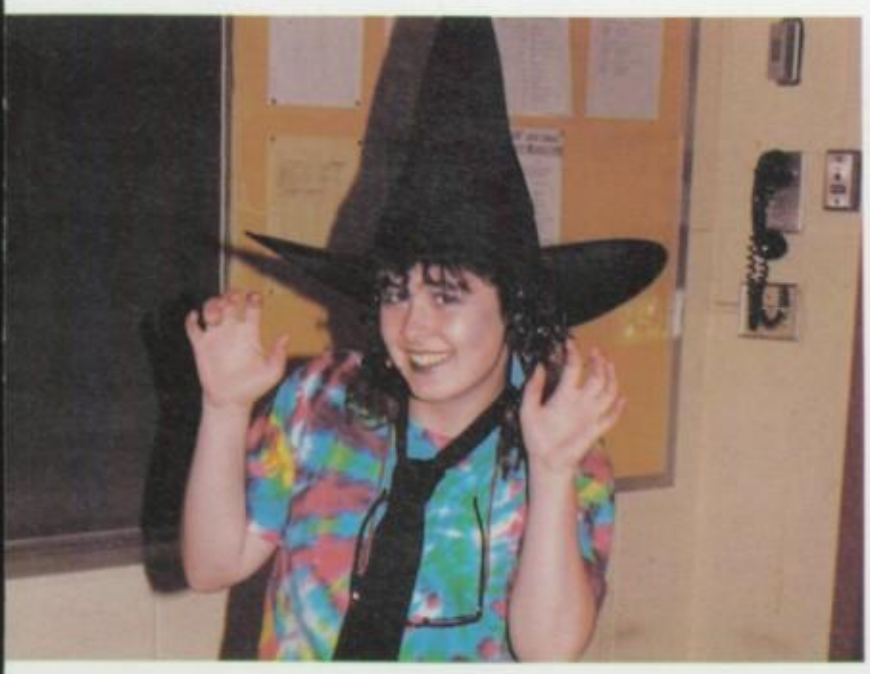
# Small in size, big in performance

Although there were only two rifles, Captain Debbie Pakan and Erin Rodriguez, and three majorettes, Captains Jennifer Plattel and Gina Perasso, and Stacey Scimanico, they had a great year. Not only did they participate on their own equipment, but they also joined the flag line for the concert piece. They both marched in the Memorial Day Parade and the majorettes participated in competition.









# Trick or Treat

# D.H.S. outrageous

The 1986-87 cheerleaders had an exceptional year. The Freshmen and Junior Varsity squads showed tremendous enthusiasm at each game and provided the helpful support to all of the players. The Varsity squad got off to an excellent start with their attendance at the N.C.A. Cheerleading Camp. The girls even won an N.C.A. spirit stick at camp- the first one ever to Dumont High School. The cheerleaders hosted two pep rallies and a dance trying to spread that "Huskie Pride." Their spirit shined through at every game by getting everyone involved and leading our Huskies through fun-filled season.

# Reveries

*Reveries* takes on a new appearance this year, due in part to the fantastic advertising sales which gave the staff a much larger sum of money with which to work. The staff made a number of conceptual changes which are evident throughout the book. The book this year is 9x12 rather than 8½x11. The number of color pages has doubled, and the number of seniors on a single page has been cut in half. This, together with changes in format give the *Reveries* a whole new look. The staff has worked long and hard to develop the plan from the conceptual stage to reality. Under the skillful leadership of Jonathan Ireland as Editor-in-Chief, the yearbook has continued to hold to tradition but with a new perspective. *Reveries* continues to be a history of Dumont High School and the entire staff hopes that the new format treats that history with respect and vigor. Mr. Kirk has assisted in bringing *Reveries 1987* to reality, as the new advisor.

## Seniors: An Activities Filled Year

This was a very fulfilling year for the Senior Class. They participated in various events that helped the class to unite. These activities included pep rallies, dances, Spirit Week, the Holiday Party, the Senior Carnival, the Blood Drive, and a Lip Sync contest. All of these were fun-filled, as well as beneficial for both the Senior Class and the entire student body. In the years to come the Seniors will look back on these events and treasure the good times and memories. The Senior Class Executive Board who helped make this possible included President Sandy Navaro; Vice-President Jackie Cavuto; Treasurer Karen Fechter; Secretary Dawn Petriello; and the advisor Mr. Allocco.

## Junior Class Has Successful Year

The Junior Class of '88 had a very exciting year. They started off with the magazine sale and then went on to running the traditional Junior Barn Dance, which was one of the most successful dances given at D.H.S. The Junior Class was also involved in the Senior Carnival and had the most profitable booth.

The Class then ran the Battle of the Bands which helped pay for some of the Jr. Prom. The highlight of the year was the Jr. Prom which was held at the Colonial Manor. All of the important decisions were debated among the Class Officers consisting of: Mr. Reinert, Advisor; Carrie Reithmayr, President; Maureen O'Malley, Vice-President; Nicole De Vincenzo, Secretary; and Mike Rajner, Treasurer.

## Sophomores Hold The First Valentine's Day Dance

The Sophomore Class under Mr. Konigsberg, started off the year with the traditional Freshman Reception. Fund raisers included a Heart to Heart computer match up. In this event, every student had the chance to receive two lists of the people with whom he/she is most compatible. This year's Sophomore Class event was a very successful Valentine's Day Dance. President Marshamae Oliver, Vice president Jennifer Boudreaux, Secretary Sue Telemanich, treasurer Cynthia Henry, SO rep Mandy Aschoff

## The Freshmen Year: A Great Beginning

Here they are, the Freshman of Dumont High School. President Alex Rodriguez was a successful leader in working with the class this year. Among others who contributed significantly to the class were: Nico Simeonidis, Vice-President; Susan Kang, Treasurer; Barbara Parisi, Secretary; and Jhim McKinley, S.O. Rep., as well as all of the homeroom representatives. The Freshmen participated in the workings of the school. They were seen on the athletic fields, the Honor Roll, and even started perparing for the day when they would be Seniors. What a great start for their high school years! The Class of '90 hopes all of their years will be as much fun.

The *Periscope*, with the help of hardworking editorial and reporting staffs, reported what was going on in Dumont High School and in neighboring towns. It has been a great way for organizations to communicate with the rest of the student body, and for students to have photos or articles published. It has also been a great way to let people know how others felt, by writing letters to the Editor.

Under the watchful eye of Mrs. Troy, the staff put together the paper: writing articles; making layouts; editing. The *Periscope* staff went on a field trip to the printer where they took a tour. Another trip was to the National Convention of the Columbia Scholastic Press Association at Columbia University.

## Oracle Gets a Face Lift

Chants of "M&M's! M&M's! Plain and Peanut!" reverberated through the halls. *Oracle* members were pushing themselves to the limits raising money for the new and improved version of the *Oracle*. In addition, bands such as Deja Vu, Soundtrack, and Cinema contributed their musical talents in the Benefit of the Bands. This year's copy was much longer, displaying even more of Dumont students' creative talent. The annual literary contest literally swamped the staff with entries; the amount of poetry was thicker than a large textbook! Advisor Mrs. Cullen also made sure that more short stories and essays were contained than in previous years. Hard working members included: Monica Tauriello, editor; Carrie Reithmayr and Stacey Natale, associate editors; Ann De Vecchio, publicity editor; Donna Loreazo and Claire Thornton, business managers; as well as the literary staff of Tory Rudek, Stephanie Mottingly, Nancy Godbald, Brian Princing, Marni Fechter, Virginia Herts, Pam Kormicher, Katie Gomez, and Nancy Maxwell.

# Media Center And Lighting Crew Get New Director

This year was a time of change for the Media Center and Lighting Crew. Mrs. Smith moved to Tennessee and her secretary Mrs. Kurz took over the A.V.A. Specialist chair. Mrs. Vallianos became the Media Center's new secretary in March.

With the absence of Mrs. Smith, the Lighting Crew was without a director. Mrs. Kurz immediately filled the position at the request of the Tri-Captains Joe Carroll, Phillip Bazzini, and Greg Levitzki. This marked the first time in Lighting Crew history that the captains were all juniors.

The Media Center's new recruits and old veterans include: President Jason Blum, Joe Carroll, Phillip Bazzini, Greg Levitzki, Wayne Levitzki, Scott Kennedy, Phip Nazzaro, Phil Shaffroth, Matt Goodman, and a promising new freshman Pat Langford.

The Lighting Crew consists of: Rich Gilmour, Pat Langford, Wayne Levitzki, Shah Kedar, Scott Kennedy, Sean McMann, Jodi Moskowitz, Spot Coordinator Denise Bannon, Spot-Board Coordinators Phil Scarfroth and Phil Nazzaro, and, of course, the Tri-Captains.

# Satellite Teaches Important Job Skills

Dumont students attended the Satellite School in Paramus for the first time this year. Previously the students had attended the school at Norwood. Satellite school offers vocational and technical courses to students whose intentions are to begin work immediately after graduation from DHS. Courses are offered in auto body, auto mechanics, beauty culture, carpentry, dog grooming, cooking. Thirty Dumont students attend Satellite school every day and earn both credit toward graduation and important skills for future jobs.

# Spirit Week

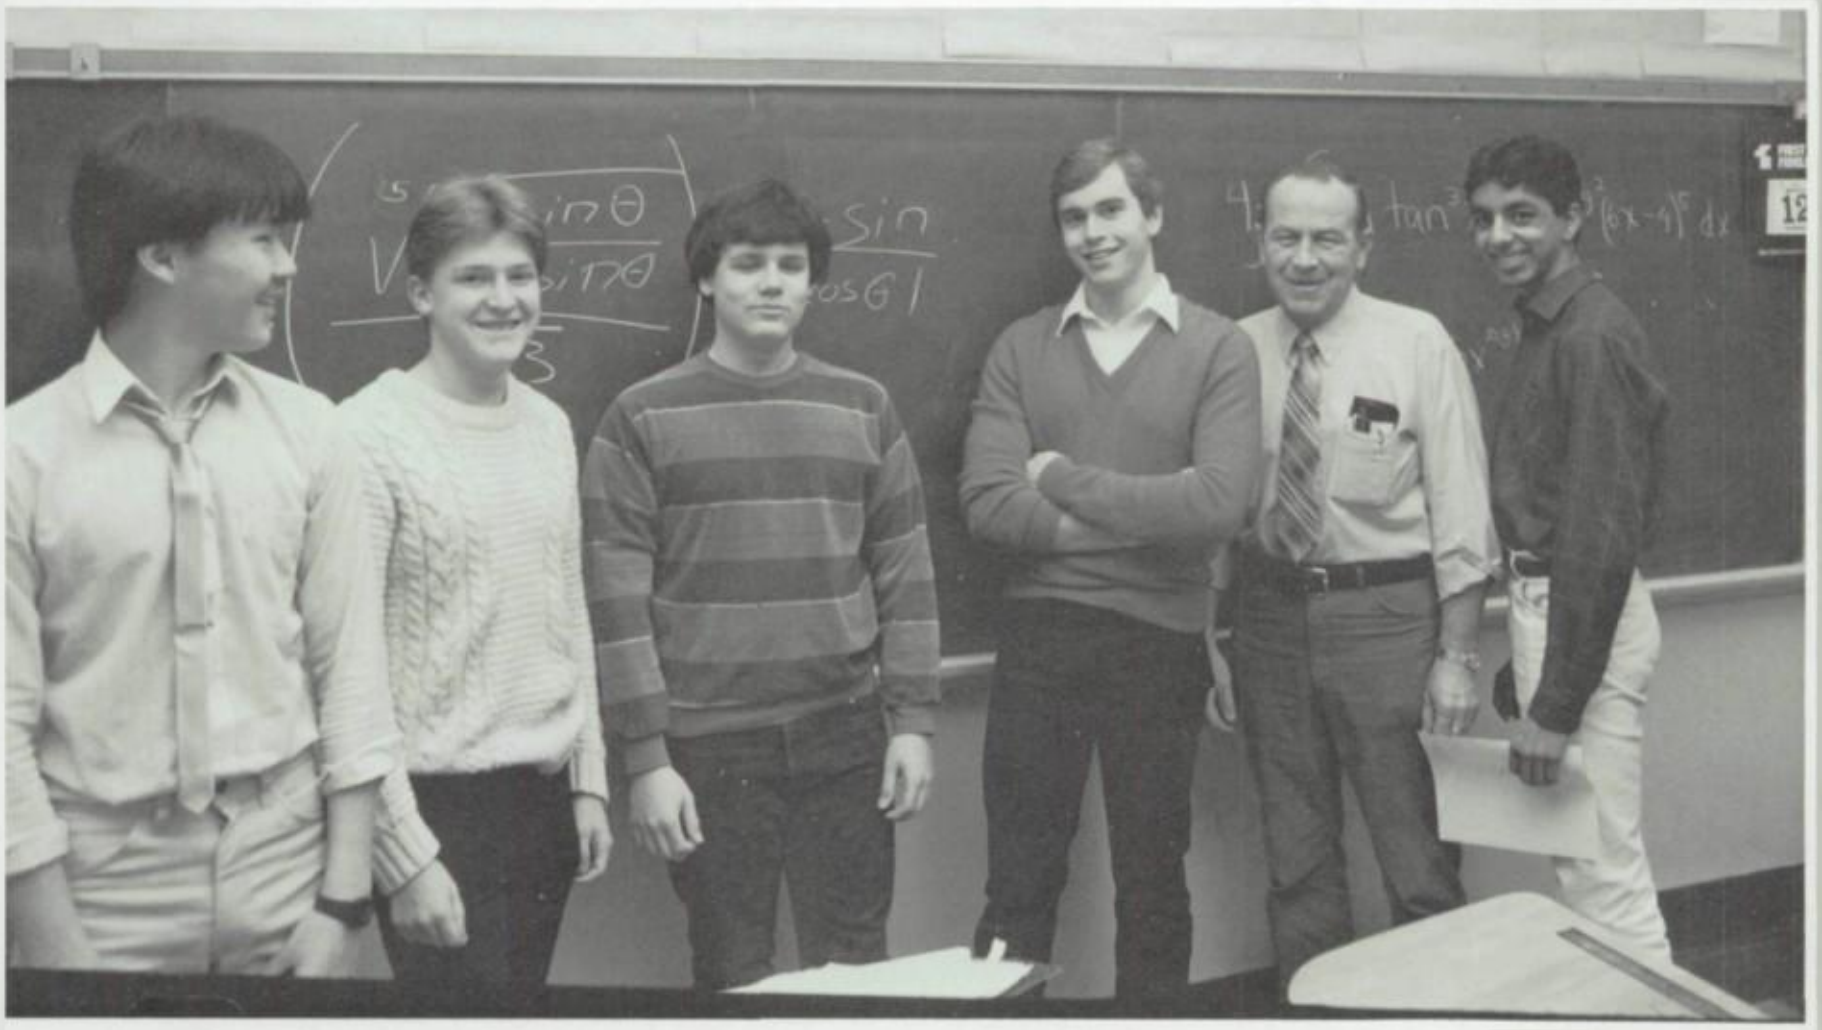
A traditional celebration in Dumont High School before the annual Thanksgiving day game is Spirit Week. This year between November 24 and 26, students dressed in the school colors and decorated the school hallways. Once again, the Band captured first place with their captivating wall display. Second prize stayed within the music department when the Chorus' display mesmerized the judges. The Varsity Cheerleader's wall proudly took third place. Spirit Week ended with the traditional flag-raising ceremony and an in-school pep rally to psych up the players and wish them luck.

# Chem Team Continues To React!

A 236.35 mole sample of $K_2PO_3 \cdot 6H_2O$ is heated in a 36.5 erlemmeyer flask to 639°K. What is K eq for the reaction? Sound tough? It is. Eight determined students who comprise of the Chemistry I and II teams tackle such questions as these.

The students led by advisor Mr. Kasyan are chosen on their mathematical and scientific abilities. What they do: take one-hour long, highly rigorous, objective examinations.

Members include R. Luciano, R. Liu, M. LaRosa, J. Thoma, P. Kumar, T. Hacker, D. Sellarole, D. Dudas.



# Math Team

These individuals tackled some of the more abstracted problems developed by mathematicians. Six problems at each meeting were the basis for the competition between this, and several other neighboring schools. Once a month for six months, all of the teams gathered at one of the schools involved to see who could achieve the best score, and who could develop the worst headache. We got off to a less than splendid start, but certainly gained momentum towards the end. Pictured here is only a portion of the actual team including: Roger Liu, Mark LaRosa, Harry Negro, Richard Rosati, Puneet Kumar, and the director, Mr. Hughes. Stephen Ma, Hoan Pham, and Doreen Sellarole, Hee-la Pyun, Robert Luciano, Russell Jacobs, and Richard Becker also contributed the time and effort to make the project worthwhile.

# Italian Honor Society: Scholarship Minded

The Giovanni Lorenzo Bernini chapter of the Italian Honor Society, supervised by Mr. Montineo, was established in 1984. The officers were: Bertina Jimides, President; Irma Manziano, Vice-President; Dorene Sellarole, Secretary; and Bobby Basil, Treasurer. New members are inducted every year. The members are students who have academically achieved outstanding grades in Italian. The society had a booth at the Senior Carnival and sold M&M's to try to achieve their major goal: to raise one thousand dollars for two five hundred dollar scholarships for graduating Italian Students.

# A Busy Year For The Art Honor Society

The Dumont chapter of the National Art Honor Society was very busy this year stimulating an appreciation for art. Among the first things they did was create a spirit-week hall decoration and scrub all the murals in the high school. At the Senior Carnival they held a body painting booth and raised money for a graduating senior going on to art school. The money was to be designated for art supplies.

# Honor Society Buys A Buffalo

Scholarship, leadership, character, and service are the four qualities which National Honor Society members must possess. The society, supervised by Mrs. Johnson and Mrs. Vesley, conducts several fundraisers a year in order to donate funds to a charity of their choice. This year, the society members chose to support Van Saun Park's New Buffalo Exhibit. The officers are: Barbara Petersen, President; Kathy Grady, Vice-President; Chris Anderson, Treasurer; and June Hacker, Secretary. Members include Jon Ireland, Kristen Tercek, Sivan Schlecter, Michele Finder, Ned Visich, Katie La Rosa, Tammy Mortensen, Christine Alba, Debra Dudas, Karen Fechter, Suzanne Ganger, Agnes Kurta, Irma Manziano, Augusto Molino, Karen Reilly, and Diane Traumuller.

# Mu Alpha Theta Adds To DHS

Mu Alpha Theta is the Dumont chapter of the National Honor Society for high school and junior college students. This year Mu Alpha Theta consisted of twenty-two members. A variety of mathematics and school projects became the agenda for the society for the year. President Ileen Chang, Vice President Irma Manziano, Secretary-treasurer Debbie Dudas attended the Math Computer Day at Ramapo College this year. Mrs. Pinella-Martensen advises the group.

## Italian Club Is Service Minded

The Italian Club supervised by Mr. Mantineo began in 1970. Its main purpose is to bring students of all ages together who have an interest in Italian culture. The club had many fund raisers throughout the year. The money will be used for scholarships to be awarded to graduating Italian students. In addition, every Thanksgiving the club gathers food for the needy of Dumont. They also gather toys during Christmas time for sick children in Columbia Presbyterian Hospital. The club officers are: Kim Ulrich, President; Leslie Kietur, Vice-President; Valerie Bochichio, Treasurer; Melissa Morena, Secretary.

## ¡Hola! y Que tal?

The Spanish Club was quite active this past year. With 40 members, plans were made for trips to a Spanish theatre and a Spanish Restaurant. The club participated in Spirit Week, and went to their first Mexican Restaurant. The executive Board included: Sivan Schlecter, President; Katie La Rosa, Vice-President; Tammy Mortensen, Treasurer; and Laura Menzella, Secretary. The advisor was Mrs. Rosen.

Dan King and John Sullivan, seniors at Dumont High School and members of the Academic Decathlon Team, were awarded gold medals for their performance during the Decathlon's State Final Competition at Bergen Community College on March 7.

Dan King received the gold medal in the Speech Competition accumulating the highest number of points in the scholastic category. Dan also received two silver medals at the regional competition at Fairleigh Dickerson University for Speech and Oral Communication. John Sullivan received his gold for Language and Literature in the honors category. John was awarded a bronze medal in the regional competition.

## Dumont Decathletes Get Gold

Dumont's team qualified for the state competition by finishing among the top nine schools in the regional competition for Bergen East at Fairleigh on Feburary 7. Twenty-three schools competed on the regional level.

Other members of the Academic Decathlon Team include seniors Lisa Ambrosino and Kim McGeady and Juniors Dolly Alexander, Marni Fechter, Julieann Kelly, Stephen Ma, and Michael Rajner.

## Biology Club: Getting Back To Nature

The Biology Club, supervised by Mr. Casulli, is a small group of students interested in learning more about nature and science. The officers were: June Hacker, President; Mike Cherry, Treasurer; and Nancy Maxwell, Secretary. The club raised money at the Senior Carnival and with M&M's to fund a trip to the New York Aquarium. They were given a private tour and were able to learn about marine life. Other planned activities were a nature hike at Stokes State Forest and a tree planting program to enhance the beauty of Dumont High School.

# Dumont Students Study And Work

Students, in growing numbers, have found it necessary to seek employment while still in high school. Dumont helps these students find valuable positions through the work study program at the high school. Mr. Kusy oversees the Distributive Education program; Mrs. Novas directs Cooperative Office Education; Mr. McWhirr works with the Cooperative Industrial Education students and Mrs. Cavallo leads the Home Economics Related Occupations program. Students attend school for half the day and move on to jobs which are supervised by the respective faculty members and the employers on the job. They are graded for both their classroom work at the high school and for their work after class.

# FBLA Promotes Business Expertise

Future Business Leaders of America (FBLA) provides opportunities for students to develop vocational and career competencies and promotes civic and personal responsibilities. It bridges the gap between the classroom and the office world by giving students a chance to learn first-hand about the business community. FBLA (secondary division) and PBL (post-secondary division) also serves as effective means for bringing students together to deal with vocational preparation, national problems, community improvements, and worthwhile relationships with local, state and national groups.

## Ski Club

The warm weather brought to a close another fun-filled season of skiing down the slopes. Dumont's Ski Club, with Mr. Dougherty as its advisor, traveled five times to the mountains of Vernon Valley-Great Gorge in order to partake in this winter activity. Beginners, as well as the more experienced skiers, spent their nights being whisked up the mountain by the chair lifts in order to glide gracefully to the bottom. Well, maybe not so gracefully. The beast to be mastered by most was that infamous trail Zero-G, but for others the bunny hill was sufficient.

## Weight Room

The weight room since opening last April has been a success. It was made possible by the booster club and funds raised in a basketball game against the Jets last year. The weight room is open on Mondays, Wednesdays, and Fridays from 3:00 to 5:00 for anybody that goes to the high school. It was also open over the summer four days a week, each day three different sessions. The purpose of the weight room is to give Dumont Athlete's the edge.

## Chocolate Makers And Tasters

The Chef's Club meets after school once a week to review recipes which members of the club have found. Those recipes which pass the initial "taste" test are tested by the members of the club who make the items ranging from homemade chocolate to unusual sauces for Italian meals. The highlight of every meeting is the final "taste test" at which time the members determine the value and the necessary changes in the recipe. April Gardner, Brian Sweeney, Ed Drishti, Jerry Squillante, and Paula Hallecks were active throughout the year.

## Sewing Club

The Sewing Club does more than repair hems. This club of energetic and skillful girls under the guidance of Mrs. Aschoff places emphasis on construction from scratch to finished product. The completed garments are often displayed at the Fashion Show, mall display and our own Dumont High School showcase.

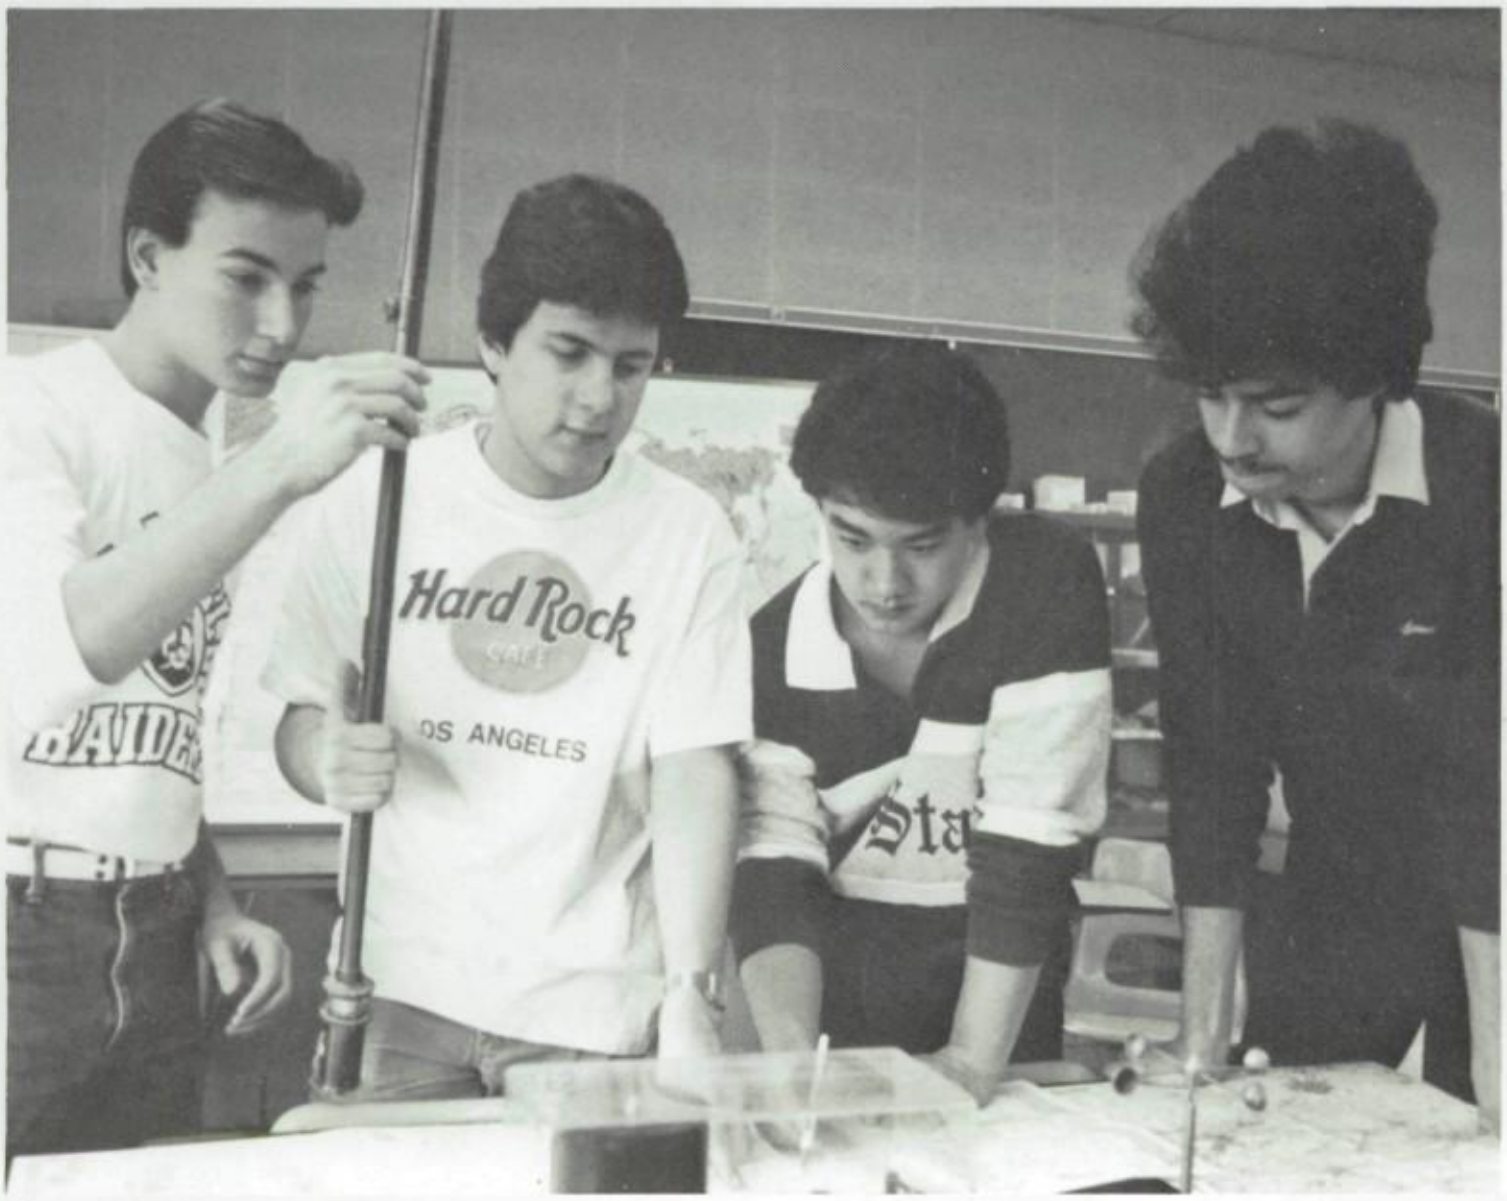
## Computer Staff

Tucked off in the corner of the school, the computer staff can be found. It is in this place that Debra Dudas and Mark LaRosa spend many hours punching away at terminals. Duties run the gamut from scheduling to printing mailing labels. These two people are responsible for all of the operations that use the computer. Adepted at programming and writing software, one can often find them sharing their knowledge with faculty and fellow students.

# Dumont Students On The Air

The Dumont High School Amateur Radio Club first went on the air on January 4, 1982. The club's goal is to train its members for licensing in the Amateur Radio Service. Such licensing requires the ability to send and receive messages in morse code and a knowledge of electronics and radio theory. The club's equipment consists of an all-band Kenwood Transceiver and a 15 meter Dipole antenna mounted on top of the school. With the recent changes by the FCC, newly licensed operators may now have microphone privileges as well as telegraph key operation.

# Metereology Club Presents . . . The Weather



The Meterology Club has been in operation at Dumont High School for several years. The students can be heard every Friday morning giving the student body the weather forecast for the weekend. Throughout the year the club meets on Thursday evenings to prepare the forecasts. These dedicated students have become quite expert at using sophisticated equipment to prepare and present their findings. Dumont is developing a number of young men to someday replace the Storm Fields of television land.

# Working For The Students

This year's student council members were President Laura Boyd; Vice-President Karen Reilly; Secretary/Treasurer Mindy Bosch; Sr. Rep. Agnes Kurta; Jr. Rep. Cheryl Biamonte; Soph. Rep. Mandie Aschoff; Fresh. Rep. Jhim McKinley. These officers represented the entire student population of D.H.S. and worked to improve school problems. The Student Council acted as an active communication link between students, faculty and the administration. During the year Student Council sponsored events such as the sale of S.O. Cards, Spirit Week, the Valentine's Day Carnation Sale, and the cafeteria committee. The Student Council would like to thank all who participated in the Blood Drive for D.H.S. and offer congratulations to all of the graduates of 1987.

# Proclamation

WHEREAS, June 8-12 has been designated as a specific week to focus public attention on the problem of students against driving drunk.

NOW, THEREFORE, I WILLIAM P. BOCHICCHIO, Mayor of the Borough of Dumont do hereby proclaim the week of June 8-12 as STUDENTS AGAINST DRIVING DRUNK AWARENESS WEEK.

William P. Bochicchio
Mayor

Dated: March 24, 1987

# SADD Pursues A Lifesaving Cause

Students Against Driving Drunk was fouunded under the direction of Mr. Sokolik and Mike Rajner in 1985. S.A.D.D. is a student-run organization that helps grasp the problems of society — driving drunk. They try to help reinforce the fact people do die as a result of driving drunk.

S.A.D.D. had a fund raiser to help pay for T-shirts, buttons, and guest speaker Hector Duvalle (a survivor of a Russian Roulette car accident). S.A.D.D. also tries to be there for other teenage concerns. Members attended a "Crack & Cocaine" workshop to learn more about controlled substances.

# Chorus: Always On Pitch

The Dumont High School Chorus consisted of about sixty members. They performed three times this year; once during the holiday time, another in March, and one in the spring.

This past year, Mr. Pochini, the director, also conducted the Bergen County Choir; a select choir of high school students throughout Bergen County. The performance was in January, and "Mr. P" received a New chair, something he often complained about.

Chorus is offered before and during school. It's hard work but a lot of fun. The chorus went on a three day trip to Annapolis, Maryland in May.

The only thing the chorus was missing was men. They are looking for basses and tenors. A performance was given for the grammar schools in hopes of attracting more singers.

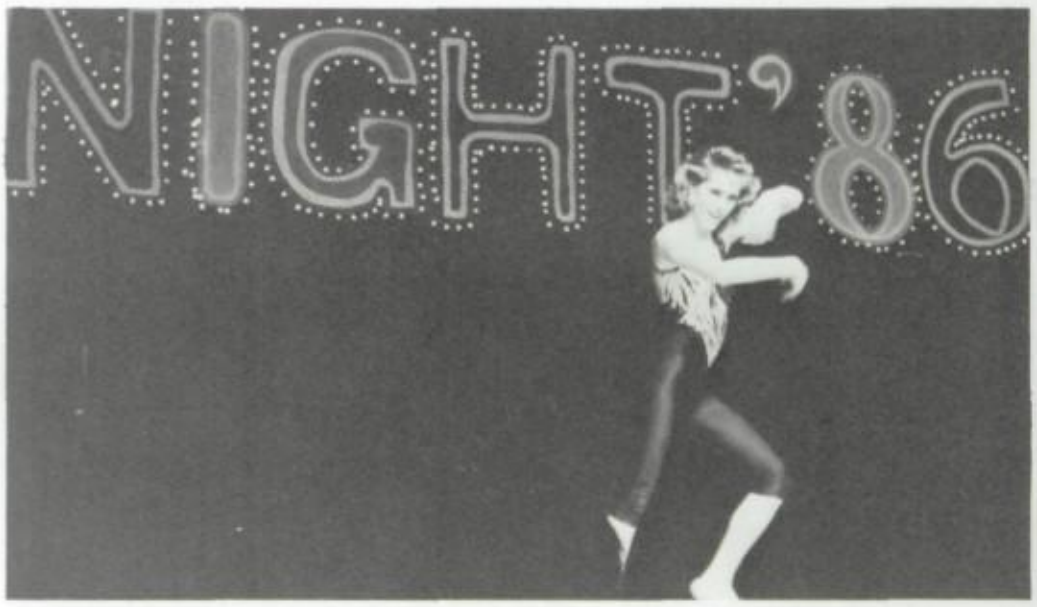
Chorus: C. Biamonte, G. Bilangi, C. Carr, K. Cleary, K. Connelly, S. Cremin, J. Delaglio, J. Dempsey, A. Devecchio, L. Finder, M. Finder, N. Godbold, M. Hegarty, J. Hufnagel, E. Kiernan, E. Knieriem, T. Mortensen, M. Oliver, D. Pakan, L. Re, K. Reynolds, E. Rodriquez, D. Scalero, S. Schwartz, S. Steward, B. Zdanowicz, J. McKinley, G. Ortiz, D. Alexander, P. Alvarado, J. Cutrofello, B. Daniel, T. DeLorenzo, D. Diore, K. Fechter, M. Fechter, A. Gardner, M. Hines, K. Kissane, K. Koehneke, D. Mulligan, N. Nasca, G. Perasso, B. Robinson, S. Rodgers, L. Sileo, M. Sneyer, D. Traumuller, Marianne Van Buren, Maureen Van Buren, S. Van Buren, L. Vergollo, A. Betancur, T. Donnelly, S. Hast, D. King, K. Price, K. Ruby

# Foreign Languages Attend The Opera

The Foreign Language Department has a subscription to the Metropolitan Opera Guild, which enables more than forty students to attend final dress rehearsal performances at the Opera House. This year, the German students attended a performance of *Fidelio* and the Italian students saw *La Boheme.* Dumont is the only high school in New Jersey which subscribes to the Met so that foreign language students can experience live opera. Students study the libretto, music and historical background of the opera before attending the performance. Mrs. Siefert accompanied the German students and Mr. Mantineo accompanied the Italian students.

## SO Night '86: Something New

S.O. Night '86 directors Mr. Konigsberg and Mr. Reinert stated that they were looking for acts with originality. Their hopes were fulfilled. Participants from all classes as well as DHS alumni performed three nights to packed auditoriums. The acts included bands, singing, dancing, and piano-playing. Themes were from Broadway shows, movies, and contemporary music.



## Battle Of The Bands

On March 13, Naked Lunch, Rainbird's Move and Cinema gave their best shot at gaining the $250 prize in the Junior Class' Battle of the Bands. As the night came to a close, the winning band was announced. With 174 votes, Cinema was declared the most popular band of the night. Members of Cinema include Dumont High School students Mike Piccirillo on drums, Geno Ortiz on keyboards, and Ken Price on guitar. Others in the band include Brian and Pat Jamieson.

## Dumont's Finest

The presence of a new principal, Mr. Roberts has resulted in a number of changes at DHS. One important and obvious change is the new "Wall of Fame" indicating the "Top Ten Seniors" at DHS. The "Wall" is composed of 8x10 pictures of each senior who had earned the highest grade point average at the close of the third marking period. This will become a permanent fixture at Dumont and will show that the school is committed to scholarship and athletics. This year the Top Ten Seniors were Agnes Kurta, Irma Manziano, Christine Alba, Katie LaRosa, Lalaine Bautista, Tammy Mortensen, Debbie Dudas, Puneet Kumar, June Hacker and Kristen Tercek.

## A Senior Carnival Extravaganza

The Senior Carnival was an on-again, off-again, on-again treat for the entire student body. Various clubs and classes sponsored booths which exhibited both the variety and the creativity of the students for having fun. Several of the highlights were the pie eating contest, the "Big Wheel" navigational route in the cafeteria annex and another in the shop area. The shop area route was a particularly hazardous affair, but fun was the order of the evening and the Senior Carnival, under the leadership of Mr. Allocco and the senior class officers, proved to be a huge success.

# YEARBOOK EDITORS

Seated: Michael Berry, Jason Blum. Kneeling: Sivan Schlecter, Agnes Kurta, Jonathan Ireland, Katie LaRosa, Richard Kirk.
Standing: Kristen Tercek, Kathy Grady, Tammy Mortensen, John Sullivan, Michele Finder.

# AND NOW, SOMETHING COMPLETELY DIFFERENT!

(An Editor's Note)

The Class of 1987 certainly was different, so this yearbook staff decided to create a book that would be completely different from years past. First we made the size of the book greater. Then we chose to zoom in closer on the seniors than on anyone else. As we cut out a lot of unnecessary writing and tossed in quite a few action candids, we splashed on a total of sixteen pages of full color. Holding all this together is a radically designed, magazine style layout walked on by the Huskie paw.

"Why a yearbook?" The staff felt that since we all have spent the last four years together at DHS and are now going our separate ways, we should have some way of recalling the wealth of experiences we have undergone as a group. The ultimate purpose of the yearbook, then is that each picture and name will trigger memories documenting how we were in 1987.

We have tried to be accurate in every way. But we are human, so there are bound to be errors- please be understanding.

I sincerely hope that this book, the product of a great amount of diligent effort by the advisors, editors, and entire staff, will hold for you a rich remembrance of your high school experience. Best wishes for a successful life.

Jonathan Ireland
